**Colorado Companies to Watch brought to you by Bank of America Merrill Lynch
presents the 2018 Gala Awards Finalists**

Fifty Winners from this pool of 100 finalists will be named a 2018 Colorado Company to Watch

Denver, CO – Colorado Companies to Watch brought to you by Bank of America Merrill Lynch (CCTW) today announced the 2018 Finalists for the Colorado Companies to Watch Gala Awards. CCTW is a unique program that honors 50 high-performing 2nd Stage companies from across the state for their success in the marketplace, innovative products, unique processes and philanthropic actions.

“Our 100 Finalists for the 2018 class of Colorado Companies to Watch is beyond exceptional,” said Rick Ninneman, CCTW Chairman of the Board. “It’s very exciting to have such a strong pool of finalists to select from, as this year is CCTW’s 10th Anniversary. Fifty of these 100 finalists will become winners 451 through 500 for the program, and they represent some of Colorado’s most innovative and impactful 2nd Stage businesses.”

The nonprofit CCTW program was designed to recognize and support 2nd Stage companies, which are those that have moved past the startup stage and into a period of growth.

The 2018 Finalists were selected because they significantly impact the state’s economy by collectively providing thousands of jobs and contributing millions of dollars in revenue while representing Colorado’s diverse economic landscape.

CCTW receives more than 1,000 nominations year after year, and 100 of those are chosen as Finalists. Fifty winners will ultimately be chosen by the esteemed CCTW volunteer judging panel. Winners will be announced at the 10th Anniversary Gala Awards Dinner on Friday, June 22, 2018 at the Denver Marriott Tech Center. Registration for the event is open now at ColoradoCompaniestoWatch.org.

About Colorado Companies to Watch

Colorado Companies to Watch is an awards program honoring 2nd Stage Companies headquartered in the state of Colorado. The 450 companies that have been honored since the program's inception demonstrate high performance in the marketplace or exhibit innovative products or processes. The program is designed to seek businesses from a wide range of industries throughout the state, not just the major metropolitan areas. The 50 companies selected each year make an astounding impact on Colorado's economy by collectively providing thousands of jobs and contributing millions of dollars in revenue. The Colorado Office of Economic Development and International Trade (OEDIT) launched the program in 2009 in conjunction with the Edward Lowe Foundation and valuable community partners from across Colorado.
