Denver, CO – Colorado Companies to Watch (CCTW) today announced the 2019 Finalists of the 11th Annual Colorado Companies to Watch Awards, a unique program that honors 50 high-performing second-stage companies from across the state. Founded in 2009, CCTW recognizes the contribution high-growth small businesses make in Colorado’s economy through job creation, revenue generation, innovative products and services, and philanthropic efforts.

“The 2019 Colorado Companies to Watch Finalists represent our state’s thriving business ecosystem,” said Sam Bailey, Chair of CCTW. “We are proud to recognize these growth-oriented companies that are adding new jobs, innovating industries, and enhancing communities across Colorado.”

Second-stage companies are those that have moved past the startup stage and into a period of growth. The 2019 Finalists selected significantly impact the state’s economy by collectively providing thousands of jobs and contributing millions of dollars in revenue while representing Colorado’s diverse economic landscape.

CCTW receives more than 1,000 nominations each year and narrows down to 100 Finalist companies. Of these, 50 winners will ultimately be chosen by the esteemed CCTW volunteer judging panel. Winners will be announced at the 11th Annual Gala Awards Dinner on Friday, June 21, 2019 at the Denver Marriott Tech Center. Registration for the event will open soon at ColoradoCompaniestoWatch.org.
