About Colorado Companies to Watch
Colorado’s second-stage companies represent high-performing and innovative companies, crossing

every industry sector and region in the state, of which provide thousands of high-quality jobs and contributes billions of dollars back to our local economies. Colorado Companies to Watch (CCTW) certifies and spotlights the important contributions they make. To date, we have celebrated close to 800 companies, resulting in a $6.5 billion economic impact on Colorado's economy.

The Colorado Office of Economic Development and International Trade (OEDIT) in conjunction with the Edward Lowe Foundation initiated the program in 2009 along with valuable sponsors, key drivers, community and supporting partners, and volunteers from throughout Colorado. Today, CCTW encourages the collaboration and advancement of our alumni network and aligns strategic partnerships and alliances by leveraging valuable resources to support and nurture the growth of our alumni and their businesses.
